

Proposed Action - USMC

U.S. Marine Corps Relocation from Okinawa, Japan to Guam

The proposed action would:

- Relocate command, air, ground, and logistics units (which includes approximately 8,000 service members and 9,000 family members) from Okinawa, Japan to Guam
- Develop mission-critical infrastructure
- Develop mission support infrastructure
- Develop community support infrastructure
- Develop U.S. Marine Corps training areas in the Mariana Islands
